

Care and Maintenance

- Dust the vanity regularly with a soft, non-lint producing cloth or household dusting product. □
- You can clean the vanity with a gentle, non-abrasive household cleaner. Make sure to dry the wood immediately with a soft cloth or towel.
- The granite top can be cleaned using standard granite cleaning agents (sold separately).
- Tips for using touch-up pen (AA): For scratches, stroke in direction of scratch; for worn areas, stroke in direction of wood grain. Rub excess colorant promptly with a soft cloth.
- Keep product away from direct sunlight as it may damage the finish.
- Please clean all fluids from the stone surface to prevent stains. We strongly suggest that red wine spills be wiped off immediately to prevent permanent damage to the stone surface.

CARING FOR WOOD FURNITURE

It is best to keep your furniture in a climate-controlled environment. Extreme temperature and humidity changes can cause fading, warping, shrinking and splitting of wood. It is advised to keep furniture away from direct sunlight as sun may damage the finish. Proper care and cleaning at home will extend the life of your purchase. Following these important and helpful tips will enhance your furniture as it ages.
