Assembly Preparation

Before Beginning Assembly:

- Read instructions, cover to cover-

- Have 2 adults on hand for assembly-

- Do not assemble on flooring or carpet-

- Assemble on a clean non-marring surface (packing foam)-

- Save all packaging until finished-

WARNING: CHOKING HAZARD. Do not allow children to play with plastic wraps or any small parts in this package.

Notice: As a safety precaution, when your Umbrella is not in use, please close the Umbrella.

Remove Umbrella from this Base and store in safe location

This Base is NOT suited and NOT recommended to be used as a free-standing Umbrella Base.

This Base must be used under a matching table and matching Umbrella size.

ATTENTION: This Umbrella Base is exclusively recommended to be used together under a table with the matching umbrella with diameter of 80 inches to 86 inches.

The matching Support Pole diameter: 40mm - 58mm.

Assembly Steps

Overview

This Umbrella Base has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Umbrella Base parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

This is a two person team assembly product.

Attach Wheels(G) to Umbrella Base(A) by inserting the threaded stem of the Wheels and turning clockwise until secure. Press on the brake to make the base in a fixed position.

Then screw Support Pole(B) into Umbrella Base(A).

Step 2

Screw Adjustable Screw(C) into Support Pole(B).

Step 3 - A

Used for Umbrella Pole with 40mm diameter.

Insert Adapter for 58mm Pole(F) into the Support Pole(B) first, then put the Adapter for 48mm Pole(E) into the Adapter for 58mm Pole(F). Finally, put the Adapter for 40mm Pole(D) into Adapter for 48mm Pole(E). Press on the brake to make the base in a fixed position.

Your Umbrella Base is ready for use.

This Umbrella Base only be used on a flat, level surface.

Step 3 - B

Used for Umbrella Pole with 48mm diameter.

Insert Adapter for 58mm Pole(F) into the Support Pole(B) first, then put the Adapter for 48mm Pole(E) into the Adapter for 58mm Pole(F).

Press on the brake to make the base in a fixed position.

Your Umbrella Base is ready for use.

This Umbrella Base only be used on a flat, level surface.

Step 3 - C

Used for Umbrella Pole with 58mm diameter.

Insert Adapter for 58mm Pole(F) into the Support Pole(B).

Press on the brake to make the base in a fixed position.

Your Umbrella Base is ready for use.

This Umbrella Base only be used on a flat, level surface.

 -   • To obtain the longest lifespan of your outdoor products, avoid extended and lengthy exposure to rain, snow, and direct sunshine. Whenever possible cover the product and /or place under patio or awnings.
 -   • Not for commercial use. For residential use only .
 -   • Stains may be removed with mild soap solution and damp cloth.
-
-   • Dust and pick-up spills using a clean, non-colored, lint-free cloth .

What is Proposition 65?

Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity. Chemicals and elements on this list include wood dust, brass, and other everyday substances, which can be found in very common household items, such as: lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

Why Did I Find a Proposition 65 Warning on My Home Goods Product?

We include Proposition 65 warnings on all of our products because there is always a chance that one of the 800-plus common chemicals and ingredients listed under this law could potentially be on our furniture or packing materials. We risk large fines under this law, if we don't include this warning.

Should I worry?

We realize you may be worried finding this warning on our products, but we want to reassure you that the hazardous exposure limits for any of these chemicals have never been found on furniture products that we've shipped to our customers. Additionally, this warning label is very common and can be found on almost every piece of furniture sold in the state of California.

Just How Common Are Proposition 65 Warnings?

Proposition 65 warnings have become so common in California that it is hard to take a trip to a local bank, grocery store, or restaurant without finding at least one warning. In fact, even the Disney Land Resort has a Proposition 65 warning:
