

# Large Hammock Stand

*Congratulations on your purchase of the Large Hammock Stand. We believe that you will find it a product of unsurpassed quality and durability.*

## ASSEMBLY INSTRUCTIONS:

1. Place one of the poles between the two foot brackets, and slide pole over each foot bracket. Foot brackets should be placed in the proper direction so they will sit flat on the ground rather than on edge.
2. Place the other two poles at either end with the holes at the top facing each other and slide the poles over the foot brackets.
3. Make sure that the poles are over the foot brackets securely.\*\*
4. Place the square end caps on the feet and the round end caps on the poles.
5. Insert the "S" hooks in the poles and hang the hammock using the chain provided.
6. Stretch the hammock as tight as possible before getting into the hammock and making adjustments.

We strive to make this unit attractive in appearance, yet functional. The best materials available are used in its construction. On the lawn, deck or poolside, the large stand creates an air of luxury and style while offering versatility of location.

**Hardware Included:**  
3 poles (beams)  
2 round caps  
4 square caps  
2 foot brackets  
2 "S" hooks  
2 hooks with chain
