

Bayes WOOD/BAMBOO MC LabClean, Inc  
6" x 4" 10//13 Print

high performance

**WOOD & BAMBOO**  
CONDITIONER/PROTECTANT

*For use on all Wood & Bamboo  
Cutting Boards, Items and Utensils*

*100% Food Grade Mineral Oil*

Wood and bamboo are a natural and attractive choice for cutting boards and many other kitchen utensils and items. Without treatment, ordinary washing can dry out and crack your possessions. Bayes Wood & Bamboo Conditioner/Protectant uses the highest quality food grade mineral oil to nourish and beautifully preserve these items for years.

**DIRECTIONS:** Wash item with mild soap and water and allow to dry thoroughly. Apply with a clean cloth. Allow to soak in for 2-3 minutes and wipe with a clean dry cloth. Recommended treatment minimum once a month.

**FOR NEW ITEMS:** Apply daily for first week; apply once a week for first month of use. Continue with once monthly treatments.

CONTAINS: Food Grade Mineral Oil

ITEM #160

*cleans • conditions • protects*  
**cutting boards & kitchen items**
