

Warranty

The manufacturer warrants the product to be free from defect in materials and workmanship for a period of 1 year from date of purchase. This warranty applies only to the original purchaser and only to the products used in normal use and service. If the product is found to be defective, the manufacturer's only obligation, and your exclusive remedy, is the repair or replacement of the product at the manufacturer's sole discretion, provided the product has not been damaged through misuse, accident, alteration, modifications, or general mishandling. The warranty shall not apply to the finish, as this is considered normal wear and tear.
