

## Framed Mirror Installation Guide

HANG BY “D-RINGS” ONLY DO NOT HANG WITH  
PICTURE WIRE

Drive proper size picture hooks or wall anchors and screws into the wall. **Type of anchor depends on wall surface. Consult professional if in doubt.** Using tape measure, Space the hangers or anchors so the “D-Ring” mirror hangers will hang from the hooks; making sure the hangers are level. This will give an easy and safe installation with the weight of the mirror distributed evenly
