If work has not been started on your order, and Norweco has approved the cancellation, in writing, you shall be liable for, and shall pay to Seller, all charges incurred in connection with the order, as well as anticipated profits.

9. GOVERNING LAW/FORUM SELECTION

The contract formed pursuant to the terms, conditions and specifications of this Agreement and the obligations thereby imposed on Seller and Purchaser shall be governed and construed according to the laws of the State of Ohio without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the State of Ohio. AVAILABLE ONLY THROUGH FACTORY-TRAINED DISTRIBUTORS, LICENSED SERVICE CENTERS OR AUTHORIZED DEALERS

The Singulair aerator enjoys the distinction of being the only aerator on the market today backed by a lifetime exchange program. After the initial Singulair aerator three year warranty has expired, the owner is entitled to a lifetime of aerator protection with the exchange program.

Customers with a Singulair system may exchange any aerator, any age, for a replacement unit. The three year limited warranty starts over again on the replacement unit installation date. Norweco is proud to be able to offer a lifetime of protection to its Singulair customers. To qualify for the exchange program the conditions outlined below must be met.

Aerators can be accepted by Norweco for exchange if they are returned, freight prepaid, to our factory by a licensed Norweco Singulair distributor, licensed service center or authorized dealer. Collect shipments, or units returned directly from customers cannot be accepted. If aerator parts are missing or the aerator has been disassembled by unauthorized persons or tampered with in any way, it will be remanufactured on a time and materials basis rather than at a fixed exchange cost. Norweco cannot guarantee that the current exchange program will always be available, however, that is our goal, and we are happy to offer it at this time.

Singulair installations are also protected with an initial two year service program included in the cost of the system. A series of service and adjustment inspections by our local factory-trained personnel are prescheduled for the first two years of operation and included in the purchase price. "Progress through service since 1906" sums it up nicely. A quality product - serviced by a local expert - has earned Norweco a reputation for excellence.

SINGULAIR®

THREE YEAR LIMITED WARRANTY

Norweco, Inc. warrants every new aerator, control center, Bio-Kinetic system, Singulair Green tank and any other Singulair component manufactured by Norweco to be free from defects in material and workmanship under normal use and service for a period of three years from the date of installation, as provided herein. Norweco will repair or replace the warranted component which in the sole judgement of Norweco shows evidence of manufacturing defect, provided that the defective component is returned to the factory, freight prepaid, by a licensed Singulair distributor, licensed service center or authorized dealer. This limited warranty shall be recognized in effect for three years from the date of Singulair system installation, if a warranty registration card has been properly registered with the factory, according to the terms of this warranty. If the warranty registration card has not been registered upon installation of the Singulair system, the limited warranty shall be recognized in effect for three years from the date the warranted component was shipped from the factory.

Norweco reserves the right to revise, change or modify the construction or design of the Singulair system or component parts without incurring any obligation to make such changes or modifications in earlier model components. Norweco reserves the right to furnish new or rebuilt component parts which, in Norweco's judgement, are the equivalent of the parts being replaced.

Service may occasionally be required for the Singulair system due to damage resulting from accident, improper use, voltage fluctuations greater than $\pm 5\%$ of the aerator nameplate rating, abuse, tampering, act of God, improper installation, vandalism or failure to follow operating procedures. As this damage has not resulted from defects in workmanship or material, it shall not be covered by this warranty. Service charges incurred in these cases, including parts and labor, shall not be assumed by Norweco and shall be the responsibility of the customer.

This Singulair three year limited warranty does not include any portion of the customer's wiring, plumbing, drainage, disposal system, or tankage not manufactured by Norweco, nor does it include freight charges (round trip) required to return the warranted component for factory replacement. Norweco shall not be responsible for damages of any kind or character resulting from or caused directly or indirectly by any defective component, inaccuracy, weakness, failure or delay. The warranty shall not apply to any missing components or to any items which have been disassembled, repaired, altered or tampered with, prior to their return to the factory. Therefore, if a Singulair component part fails to meet Norweco's manufacturing standards or product representations stated herein, do not use or dismantle it, contact the local licensed Singulair distributor, licensed service center or authorized dealer. The distributor, service center or dealer will arrange to have the component part returned to Norweco. Norweco's liability is limited solely to the replacement of the defective component part. Norweco shall not be liable for any labor involved during the removal or replacement of equipment, nor for charges for equipment, freight, transportation, inspection or handling of any component part. In no case will Norweco be liable for loss incurred because of interruption of service or for consequential damages, contingent liabilities or other similar expenses.

This limited warranty is, and the owner agrees that it shall be, in lieu of all other warranties whether expressed or implied. No distributor, service center, dealer or person is authorized or permitted to make any contract or assume any other obligations or liabilities for Norweco. Laws governing limited warranties vary in some states and although this warranty gives the owner specific legal rights there may be additional rights not contained herein.
