### **LIMITED WARRANTY INFORMATION**

Volume International Corporation warrants against defects in materials or workmanship for a period of one (1) year from date of original purchase. Volume International agrees to repair and/or replace the defective item upon the company's discretion without charge to buyer. Outdoor fixture finishes are only covered within ninety (90) days from original purchase date.

**IMPORTANT:** This warranty does not cover damages resulting from accidents, misuse, abuse, lack of reasonable care (see above), the affixing of any attachment that is not provided with the original product, alteration of factory installed attachments, loss of parts and subjecting fixture to anything other than the specified electrical services. This warranty also does not cover the failure of bulbs due to accidents, abuse, misuse, vandalism, power surges, acts of nature such as lightning, and bulbs purchased separately that and are installed by the consumer. This is also to include any damage(s) caused to the fixture by separately purchased bulbs.

There will be no responsibility assumed for any special incidental or consequential damages. Damages that occur during transit will not be covered as part of this warranty.
