IMPORTANT INFORMATION

- Before ordering or installing, please consider future access to equipment.
 - Add bedding compound to fully level and support bottom of tub.
 - Tubs equipped with an air bath or a pre-leveled foam base are designed to rest on the floor without bedding compound, provided the floor is level.
 - Please measure tub on-site before building tub decking.
 - Jet, pump & blower locations are predetermined and cannot be changed.
- Suction and control locations may vary.
 - Specifications and configurations are subject to change without notice.
 - Measurements are +1/2" and are subject to change without notice.
 - Measurements herein supersede all others published prior to publication date shown below.
