

RENOGY 5 WATT SOLAR PANEL CHARGER FOR RING CAMERA

Only compatible with
the Ring Spotlight Cam
Battery.

RENOGY 5 WATT SOLAR PANEL CHARGER FOR RING CAMERA

The Renogy 5 Watt Solar Panel Charger is the perfect companion for your Ring Spotlight Cam Battery. Simply mount it on the exterior of your home and connect it to your camera to get non-stop power from the sun. The 360-degree mounting bracket ensures maximum sunlight exposure throughout the year. The 2-meter charging cable provides more flexibility for the positioning of the Renogy Solar Panel Charger. With our specially designed waterproof junction box and DC connector, the Renogy Solar Panel Charger can withstand rough weather conditions without short-circuit troubles.

KEY FEATURES

Impressive Efficiency

With highly efficient solar cells, Renogy's 5 Watt Solar Panel Charger efficiently charges your Ring cameras.

Effortless Maintenance

Keeps your Ring camera fully charged with the power from the sun. No more troublesome wiring and stressful battery swaps!

Adjustable Bracket

The 360-degree mounting bracket ensures flexibility for maximum sunlight exposure all year round.

Weather Resistant

Charge your Ring camera safely, even in rough weather conditions with the waterproof junction box and DC connector.
