

Safety Information (continued)

DANGER: If you smell gas: Shut off gas to the appliance. Extinguish any open flame. If odor continues, keep away from the appliance and immediately call your gas supplier or fire department.

WARNING: Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.
An LP-cylinder not connected for use shall not be stored in the vicinity of this or any other appliance.

WARNING: For Outdoor Use Only.

CAUTION: Installer: Leave the instruction manual to the user for future use. Consumer: Please keep this manual for future reference.

NOTE: This appliance requires 20 lb (9 kg) LP gas supply cylinder.

NOTE: PLEASE READ THE FOLLOWING SAFETY RULES:
Perform a leak test with a soapy solution:
1. To check gas connections.
2. After connecting a new cylinder.
3. Upon re-assembly after disassembly.

Warranty

ONE-YEAR LIMITED WARRANTY

WHAT IS COVERED

We warrant to the original consumer/purchaser that all aspects of this product will be free of defects in material and workmanship for one year from the date of purchase. A replacement for any defective part will be supplied free of charge for installation by the customer. The warranty shall be effective from the date of purchase as shown in the purchaser's receipt.

WHAT IS NOT COVERED

Defects or damage caused by the use of other than genuine parts are not covered by this warranty. We will not be responsible for labor charges and/or damage incurred in installation, repair and replacement, nor for incidental or consequential damage. This warranty gives you specific rights, and you may also have other rights that vary from state to state.

The warranty is valid for the original consumer/purchase only and excludes industrial, commercial or business use of product, product damage due to shipment or failure which results from alteration, product abuse, or product misuse, whether performed by a contractor, service company, or consumer.
