

Item: 6-in. SDS-Max Floor Scraper Assembly

Brand: THINSET REMOVAL BIT®

Manufacturer: Thinset Removal LLC

Part #: 6TRBSMSF

Use and Care Instructions:

- Always wear appropriate safety equipment (goggles, dust mask, ear protection) when operating
- Before use ensure bolts are tightened appropriately so lock washers are fully compressed
- Always exercise caution when operating
- Replace blade before it becomes overly worn so not to damage scraper assembly
- Lightly grease SDS-Max shank before inserting into rotary/demo hammer
