decora® Rocker Slide Controls

New line of Dimmers and Fan Speed Control brings today's technology home.

Performance Meets Style

Creating the perfect ambiance with seamless dimming brings a new level of style and sophistication to a home. Decora Rocker Slide Dimmers, with smooth, slide-action, full-range dimming, are the perfect choice for dimming incandescent, LEDs, CFLs, halogen, magnetic low voltage, electronic low voltage and fluorescent bulbs. The line also includes a new 1.5 amp Quiet Fan Speed Control.

Decora Rocker Slide Controls feature our hallmark Decora rocker switch that provides preset ON/OFF switching and a smooth, integrated slide bar for fine adjustment of lighting levels. With a new, streamlined style, Decora dimmers and fan speed control complement any interior design and present a sleek, uniform appearance when multi-ganged with other Decora devices.
