

42" Wall-Mount Curved Electric Fireplaces With Panoramic Multi-Color Flame Displays

FIREPLACE FEATURES

- 42" curved display offers panoramic views of the flames
- Smooth, modern frames available in black and white
- Offered with enchanting log or crystal displays
- Color-changing LED effects with customizable settings
- Automatic thermal safety switch
- CSA certified

Show off your flair for design and hospitality with the 42" wall-mount electric fireplace from Cambridge. Featuring an array of LED colors and effects, this fireplace can be adjusted to suit your mood. The curved tempered glass panel offers stunning panoramic views of the beauty within the firebox. It's an extra design twist that will catch the eye of any passersby.

The flames can operate with or without heat, which makes it perfect for warmer seasons and year-round use. A convenient remote control is included so you can easily adjust the settings from anywhere in the room. Its tempered glass screen and low-profile frame add a modern design that can easily integrate with existing wall art. Simply turn it on and enjoy the serene, warm effect that it adds to your home.
