

General Use & Care Manual

The HUSKY Latch and Stack Tote is designed for your general-purpose storage needs. The durable plastic and large storage capacity can hold a variety of items. These sturdy totes are stackable to allow for the maximized use of storage space.

- Tough polypropylene plastic for durability
- Large heavy duty ergonomic latching handles
- Capacity holds large items
- General purpose tote

To clean these totes, use a cloth with warm soapy water.

****NEVER** let children play in them and don't put a child in a tote with the lid on!
