GENERAC PRO TRIMMER MOWER

- Powerful walk-behind trimmer capable of tackling the heaviest mowing demands.
- Reliable OHV engine.
- Oversize wheels for easy maneuverability.
- Ample 22 in (56 cm) cutting width.
- Three adjustable mowing heights between 2.0–3.25 in (5.1–8.3 cm).
- Offset frame design makes easy work of trimming along foundations, fence lines, and other obstacles with precise control.
- Cast aluminum front nose plate to guard against damage.

FEATURES

- **Generac G-Force Engine:** Powerful, easy starting engines make our trimmer mowers the natural choice for any task, and are designed for long life.
- **Heavy-Duty Cutting Cords:** Sized up to 225 mil (5.72 mm), for reliability you can count on. 175 mil (4.4 mm) cord is included.
- **Engineered to Perform:** A rock solid performer, backed by over 25 years of innovation, and tested for thousands of hours. Every detail is designed to deliver great reliability and performance.
- **Anti-Wrap Trimmer Head:** prevents tangled vegetation and provides less down time.
- **QUICK-LOCK™ Trimmer Head:** Trimmer cord changes take just seconds. Simply insert the cord into the unique gripping mechanism to anchor it in place.
