

Care and Cleaning

Before using, wipe with a clean, dry cloth. Do not use bleach or solvents. Treat the frame with liquid wax for maximum protection against UV light and salty, damp air. When not in use, store furniture in a cool, dry place. If your set includes cushions or mesh fabric, they may be cleaned by hand with a mild solution of soap and water. Rinse the cushion thoroughly and allow to drip dry. Do not machine wash or tumble dry, as the cushions may shrink. Do not use bleach or solvents on fabrics. When cleaning the tabletop make sure to use a soft, clean cloth that doesn't bleed color as well.
