

THE MONACO LOUNGE COLLECTION

MONACO LOUNGE COLLECTION:

Whether you're reading a book or drying off by the pool, the Monaco Chaise Lounge Collection includes a variety of items that will accentuate your outdoor space. The Monaco chaise lounge chairs are both robust and reliable, constructed with durable sling fabric over rustproof aluminum frames. A three-way adjustable backrest allows you to alter the angle to your most relaxed position. The all-weather sling fabric is both UV and water-resistant, proven to maintain its vibrancy and strength under any weather condition.

Accessorize your lounge chairs with other items in the collection like the LP gas fire urn or umbrella side table. The neutral cedar sling fabric and polished bronze frames enhance most outdoor environments and coordinates well with other decor.
