

Elizabethan Classics Cast Iron Leg Tub Care

Your Elizabethan Classics leg-tub has a porcelain enamel surface. Using Abrasive or self-cleaning (Spray-on & wipe off) cleaners can mar the surface, and void the warranty.

Maintenance Instructions

1. Wipe dry immediately after each use.
2. Clean with a liquid cleanser, such as liquid Top Job, Liquid Spic & Span, Formula 409 – following your chosen cleaner's instructions.
3. **NEVER** use cleaners with abrasives (including “Soft Scrub”), or ‘spray on, wipe off’ cleaners
