

The Aero-Flex® Trimming System has no loose parts to replace. If a cap needs to be replaced it can be purchased on our company website www.aero-flex.com.

The Aero-Flex® Trimming System comes with all needed hardware for virtually all gas trimmers and a select few battery trimmer brands. If you believe you are in need of hardware, please email our company at info@aero-flex.com or call our customer service line at (888)880-AERO(2376).

The Aero-Flex® Trimming System is 'Glider Ready'. Our GC Glider™ is available at homedepot.com or on aero-flex.com

Replacement Line Blades are available at The Home Depot Stores, homedepot.com and aero-flex.com.

Made in the USA
