VINNOVA warrants the structural components of the Product to be free from defects in workmanship and materials under normal use and service for the period commencing from the initial date of purchase by the owner or end-user, contractor, or builder, from VINNOVA or an authorized VINNOVA dealer, through the lifetime of the original owner or end-user.

VINNOVA warrants the cartridge component of the Product to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner or end-user, contractor, or builder, from VINNOVA or an authorized VINNOVA dealer.

VINNOVA warrants the spray assembly component of the Product to be free from defects in workmanship and materials under normal use and service for a period of one (1) year from the initial date of purchase by the owner or end-user, contractor, or builder, from VINNOVA or an authorized VINNOVA dealer.

Subject to the Warranty Service provision below, any product reported to the authorized dealer or to VINNOVA as being defective within the warranty period will be repaired or replaced (with a product of equal value) at the option of VINNOVA. This warranty extends to the original owner or end-user and is not transferable to a subsequent owner.

Neither the distributor, authorized VINNOVA dealer, nor any other person has been authorized to make any affirmation, representation, or warranty other than those contained in this warranty. Any affirmation, representation, or warranty other than those contained in this warranty shall not be enforceable against VINNOVA or any other person.

VINNOVA reserves the right to modify this warranty at any time, it being understood that such modifications will not alter the warranty conditions applicable at the time of sale of the products in question.

### Limitations

This warranty shall not apply to instances of incorrect operating procedures, breakages, or damages caused by fault through improper installation, carelessness, abuse, misuse, misapplication, improper maintenance, or alteration of the Product, as well as chemical or natural corrosion, accident, fire, flood, an act of God, or any other casualty. Avoid abrasive cleaners, steel wools, and harsh chemicals as these will scratch, damage, and / or dull the product and / or finish and void this warranty. The owner/end-user of the Product covered by the present warranty is entirely responsible for its proper installation and any applicable plumbing or electrical wiring. VINNOVA neither installs nor supervises the installation nor hires a contractor for this purpose; consequently, VINNOVA cannot be held responsible for any default, breakage, or damages caused thereby or resulting thereof, either directly or indirectly.

The owner/end-user must provide access to the components of the Product as described in the installation guide so that VINNOVA can execute the warranty specified herein. If such access is not available, all expenses to provide said access will be the responsibility of the owner/end-user.

This warranty does not apply to Products that have not been installed or operated in accordance with instructions supplied by VINNOVA and all applicable rules, regulations, and legislation pertaining to such installations.

This warranty does not apply unless the VINNOVA Product is installed by fully insured licensed professionals. VINNOVA strongly recommends that such licensed professionals have experience in the installation of bathroom and kitchen products. Installation of certain products, including without limitation glass products (i.e., shower doors and glass sinks) by an inexperienced person may result in glass breakage and, consequently, cause personal injury or death.

VINNOVA is not liable for personal injuries or deaths to any persons or for any direct, special, incidental, or consequential damage, loss of time, loss of profits, inconvenience, incidental expenses, labor or material charges, or any other costs resulting from the use of the product or equipment or pertaining to the application of the present warranty, or resulting from the removal or replacement of any product or element or part covered by this warranty.

EXCEPT AS OTHERWISE PROVIDED ABOVE, VINNOVA MAKES NO WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR COMPLIANCE WITH ANY CODE.

In any case, VINNOVA cannot be held liable for any amount over and above the purchase price paid for the Product by the owner/end-user, contractor, or builder.

#### **Commercial Limitations**

In addition to the above conditions and limitations, the warranty period for products installed for commercial applications or used in commercial ventures is one (1) year from the initial date of purchase by the owner/end-user, contractor, or builder from an authorized dealer. VINNOVA is not responsible for loss of use or profit under any circumstances. If the product is used as a display, the warranty period begins when the product is placed on display. This warranty gives the owner/end-user specific legal rights. The owner/end-user may also have other rights which can vary from one state or province to another.

#### **Warranty Service**

In order to obtain service provided under this warranty during regular business hours, contact the dealer or distributor who sold the unit, or contact VINNOVA directly. VINNOVA will provide the warranty service described above when the following conditions have been met: the failure is of the nature or type covered by the warranty; the user has informed an authorized VINNOVA Agent or VINNOVA's warranty service department representative of the nature of the problem during the warranty period; conclusive evidence (e.g., proof of purchase or installation) is provided to the foregoing by the user proving that the failure occurred or was discovered within the warranty period; an authorized independent service person or company representative has been permitted to inspect the product during regular business hours within a reasonable time after the problem was reported by the user.
