

What does L'Chef's warranty cover?

L'Chef warrants its products to be free from manufacturing defects in materials and workmanship.

This warranty applies to L'Chef products purchased and operated in the U.S.A. its territories, and Canada. You are expected to read and follow the instructions in the accompanying owner's manual before using this product to best ensure the proper operation and durability of this product during the warranty period.

- Normal wear and tear from designed use.
- Damage resulting from misuse, accident, shipping, commercial use, neglect, incidental or consequential damages, or from damage caused by any foreign objects.
- Incidental fees associated with shipping or repairing your product, such as handling or cleaning.

Implied warranties of merchantability and fitness for a particular purpose and all other warranties express or implied, other than the limited warranty described in this document, are excluded.

L'Chef products contain no user serviceable parts. Any attempt to repair your L'Chef product will void the warranty.
