INFINITY 1100

INFINITY 1100 DUCTED WHOLE HOUSE FAN

The Infinity 1100 is a low cost flexible solution to bring in cool outside air and remove hot stale air from the home. It is also an excellent source for makeup air for homes that have high CFM exhausts from the kitchen range or a whole house fan. The ducted design is quiet and allows for installation just about anywhere in the home.

Assembled in the USA.
