

FP-A80UW

## Dual-Action Plasmacluster Air Purifier with HEPA FILTER

The Sharp FP-A80UW Dual-Action Plasmacluster Air Purifier with HEPA Filter captures 99.97% of particles as small as 0.3 microns from the air that passes through it for rooms up to 454 sq. ft. Bacteria, germs, mold spores, pollen, pet dander, smoke and dust can make breathing harder, especially for asthma and allergy sufferers. This air purifier helps remove these irritants with an ultra quiet fan that draws air through a combined pre-filter plus odor absorbing carbon filter and a 99.97% HEPA filter. This filter system plus the revolutionary Plasmacluster Ion Technology for air purifiers makes the air healthier and cleaner smelling. The FP-A80UW Air Purifier is ideal for a family room or living room. It's a smart way to choose cleaner, healthier, more breathable air.

### Specifications

- Purifies rooms up to 454 sq. ft.
- CADR for Dust 293 / Smoke 303 / Pollen 360
- HEPA filter traps 99.97% of particles 0.3 microns and larger
- Active Carbon filter absorbs common household odors and gases
- Pre-filter traps dust, dirt and other airborne particles
- Library Quiet noise level on 29 dB on low setting
- 3 fan speeds (High/Medium/Low) plus Quick Clean
- On/Off control lights
- Power consumption watts: 98 on High
- Energy Star compliant
