FORD POWER EQUIPMENT

11,050WATT GENERATOR

FG11050PE

Model No.	FG11050PE
Item No.	F2E900E991
UPC	819699014096
Assembled Dim.	30" x 29.25" x 25"
Net Weight	218lbs. (99kg)
Gross Weight	233lbs. (106kg)
Carton Type	Color Box
Outside Dim.	30.6" x 23.6" x 23.6"
40'HQ Qty.	206
Warranty	Labor 1 Year Limited Parts 2 Years Limited

WATTAGE CHART

- Add up the running watts of everything to be powered at the same time.
- Select the device with the highest running watts, and add its starting watts to the previous total from step one.
- The total from step 2 will give you the total watts you need from your generator.

Device	Starting Watts	Running Watts
Light Bulbs	50-150	50-150
Radio	100-200	100-200
Television	150-500	150-500
Computer	800	800
Laptop Computer	200	200
Phone	25	25
Microwave	1000	1000
Coffee Maker	600-1500	600-1500
Slow Cooker	250	250
Blender	850	400
Fridge/Freezer	2200	700
Hand Drill	1000-1500	400-600
Reciprocating Saw	1000	1000
Chainsaw	1250	1250
