

DocaPole 24ft Squeegee Kit Assembly Instructions

- 1. Screw female threaded base of the squeegee attachment onto the male threaded metal tip of the DocaPole extension pole (use black plastic hinge tip attachment when needed to get to hard to reach areas)**
- 2. Adjust the squeegee pivot as needed by pressing and holding the button located on the side of the squeegee and lock into place by releasing button**
- 3. Insert squeegee blade -with the wider metal strip facing up- into the squeegee slot located at the top of the squeegee**
- 4. Clean your windows!**
