Description

This indoor bath or vanity wall mount chicly accents spaces with an elegance reminiscent of the rolling sea. Loose curves or waves incorporate an easy, carefree vibe. Encased in elegant bell-shaped white alabaster glass. Alabaster glass features beautifully unique patterned swirls. Thick and durable, alabaster diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. These gorgeous swirls make each alabaster shade one-of-a-kind and complementary to other alabaster shades wherever placed. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. This versatile light can conveniently mount up or down. Install upwards for an uplight configuration or downwards for a downlight configuration. Suitable for both damp or dry locations. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Complements stainless-steel appliances, bathrooms, vanity, living rooms, hallways, restaurants, and many other indoor areas. Accessorize with soft style and a gentle, waved flair.
