Semi-Flush

Calgary has all the distressed charm you need to warmly welcome neighbors, family, and friends into your home. The collection features traditional craftsmanship found in farmhouse antiques. Simple lamps and utilitarian rivet screws add to the casual elegance of the series. The Pebbled Rust finish has a weathered, oxidized look that features rich copper tones balanced by natural whites, earthy grays, and browns. These rustic, all-metal fixtures have the appeal of authentic barn baskets repurposed into light fixtures. The airy, industrial mesh metal shades allow the fixtures to shine brightly wherever they hang. This semi-flush fixture is perfect for rooms with 8' to 9' ceilings.
