BOTTLE CAPACITIES

When collecting expensive wine, why let it wither away on the counter or in the fridge? Ivation wine coolers are specially designed to safeguard your collection by maintaining the ideal serving temperature, while blocking out air and light. Drink deep and rest assured that even the oldest bottles age with grace.

# SPECIFICATIONS

**Removable Shelves**  
Adjustable shelves comfortably fit anything from chardonnay to pinot noir

**Soft Interior Lighting**  
A set of LED lights illuminates bottles without damaging the wine's flavor

**Precise Temperature Controls**  
Sets the ideal temperature down to the digit for anything from Bordeaux to Champagne

**Reinforced Airtight Seal**  
Heavy foam insulation keeps the unit sealed tight to keep the temperature in and the air out

**Uniform Air Circulation**  
Regulates and maintains a consistent temperature throughout the cooler

**Stainless Steel Design**  
Adds a sleek and stylish aesthetic to your kitchen décor

**Double-Paned Tempered Glass**  
Protects your collection from harmful UV light that fades labels and affects tannins

**Thermoelectric Technology**  
Creates an energy-efficient environment with low noise and zero vibrations

BOTTLE CAPACITIES

When you need a large wine cooler that reaches the low temperatures that Champagne and prosecco need, a compressor wine cooler is the natural choice. Energy-efficient and capable of reaching colder temperatures than standard models, this wine cooler maintains a precise temperature and blocks out air and light.

# SPECIFICATIONS

**Removable Shelves**  
Adjustable shelves comfortably fit anything from chardonnay to pinot noir

**Soft Interior Lighting**  
A set of LED lights illuminates bottles without damaging the wine's flavor

**Precise Temperature Controls**  
Sets the ideal temperature down to the digit for anything from Bordeaux to Champagne

**Advanced Noise Suppression**  
Noise-cancelling technology makes this one of the quietest compressor wine coolers available

**Reinforced Airtight Seal**  
Heavy foam insulation keeps the unit sealed tight to keep the temperature in and the air out

**Compressor Cooling**  
Reaches low temperatures with an even lower energy cost

**Uniform Air Circulation**  
Regulates and maintains a consistent temperature throughout the cooler

**Double-Paned Tempered Glass**  
Protects your collection from harmful UV light that fades labels and affects tannins

## Electronic Wine Aerator Series

**INSTANT  
AERATION.  
BEAUTIFUL  
BOUQUET.**

Unlocks Wine's True  
Flavor Potential

Enhances Any  
Wine's Aroma

Aerates Wine in  
Under Three Minutes

One-Touch  
Operation

WINE  
AERATOR &  
DISPENSER

HANDHELD  
WINE  
AERATOR

Experience wine at its peak flavor. While traditional decanters require long waiting periods, Ivation wine aerators let wine breathe almost instantly, unlocking the true flavor of any wine, so you can enjoy it the way it was meant to be.

# HANDHELD WINE AERATOR

# WINE AERATOR & DISPENSER

**Battery Operated**  
Two AAA batteries are all it takes to aerate wine instantly

**One-Touch Operation**  
Press the button and the wine aerates in just one to three minutes

**Integrated LED Light**  
A built-in light makes it easy to see the wine aerate, even by candlelight

**Collapsible Aeration Tube**  
Aerate a single glass or extend the tube to aerate an entire bottle at once

**One-Touch Operation**  
Press down and behold as wine aerates and pours simultaneously

**Battery Operated**  
Six AAA batteries are all it takes to aerate and dispense wine

**No-Drip Design**  
A long spout eliminates the need to tilt the bottle, so you don't miss a drop

**Easily Mountable**  
Attach directly to any bottle and serve with ease

**Powerful Mini-Pump**  
A mini, yet mighty pump aerates wine instantly
