40,000 BTU Woven Fire Pit Coffee Table with Porcelain Tile Top

The Cambridge 40,000 BTU Fire Pit will create a warm focal point to your outdoor living space. It operates off a 20-lb. LP gas tank (sold separately) that is securely held in a convenient slide-out chamber within the table's base. Elegant red fire glass is provided for the center burner as well as a protective lid for when the fire is not in use. Great for use throughout the year, this fire pit will provide a warm conversational setting for you and your guests to gather around.
