

SPLASHBACK TILE

Specification Sheet

Alps 2x8 Glass Tile

This iridescent white glass tile will provide endless design possibilities, from contemporary to classic, and creates a great focal point to suit a variety of settings. These wintry glass tiles give a luminescent quality to any bathroom or kitchen. The mesh backing not only simplifies installation, it also allows the tiles to be easily separated which adds to their design flexibility. Due to the nature of glass, a slight amount of variation in color and size can occur from lot to lot.
