

Keep cool in the heat with the Keystone Portable Air Conditioner. Bring it from room to room, house to office or any place you need cooling, this air conditioner will get the job done. Only weighing 30.5 pounds, it is easy to transport back and forth from room to room if needed. With 1.8M of cord, just plug it in anywhere and it is ready to get going. With 3 fan speeds and 3 different cooling modes, this air conditioner will always have the right setting for the feeling of maximum comfort. The built-in filter keeps the air clean for your room. Air conditioner also features a sleep mode and a programmable timer, so you can have the air conditioner running with your schedule. Control it all from the couch with the remote control for superior convenience and performance.
