

## **Edsal Plastic Storage Bins Use and Care Manual**

- When loading items on a shelving unit, please distribute the weight evenly for safety purposes – do not overload.
- Full width hanger lip provides additional support
- Wide stacking ledge ensures stability and permits higher stacking
- Anti-slide stop prevents shifting of bins when stacked
- Load heavier items on the lower shelves to keep the unit(s) from tipping.
- Do not stand or climb on the unit(s).
- Edsal Storage Bins are virtually unbreakable, water, rust and corrosion proof products and are designed to be maintenance free.
- Clean using a mild detergent solution or disinfectant
