Introducing **FANITY™**
BEAUTY WITH A BREEZE
by DecoBREEZE®

It's a Fan!

Elegant LED Illuminated Vanity Mirror with Built-in 2-Speed Tower Fan is an absolute "must have" for any woman.

Looking your best is easy when you have an illuminated and magnified vanity mirror that also includes a stylish tower fan. The Fanity™ will keep you cool while styling your hair and applying make-up with a gentle breeze by means of it's ornate metal tower. The LED Lighted Vanity Mirror features a dual-sided, premium quality mirror with two magnifications. On one side, a 5x magnification mirror allows you to see up-close and in detail, allowing for easy make-up application. The other side features a normal 1x magnification mirror that is great for checking hair and make-up. The vanity mirror lights up with energy-saving LED bulbs that illuminate your entire face, allowing you to see the finest details in even the dimmest lighting.
