## **U.S EPA AND CALIFORNIA EMISSIONS CONTROL WARRANTY STATEMENT YOUR WARRANTY RIGHTS AND OBLIGATIONS**

The U.S Environmental Protection Agency (EPA), The California Air Resources Board and Imperial Industrial Supply Co., Ltd./ DuroStar Power Equipment are pleased to explain the emissions control system warranty on your 2014/2015 and later small off-road engine (SORE). DuroStar Power Equipment must warrant the emissions control system on your SOREs for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your SOREs.

Your emission control system may include parts such as the carburetor, fuel tanks, fuel caps, fuel lines, the ignition system, and catalytic converter. Also, included may be hoses, belts, clamps, connectors, and other emission-related assemblies.

Where a warrantable condition exists, DuroStar Power Equipment will repair your small off-road engine at no cost to you including diagnosis, parts, and labor.

### **MANUFACTURER'S WARRANTY COVERAGE:**

The emissions control system is warranted for two years. If any emission-related part on your engine is defective, the part will be repaired or replaced by DuroStar Power Equipment

### **OWNER'S WARRANTY RESPONSIBILITIES:**

-As the SORE owner, you are responsible for the performance of the required maintenance listed in your owner's manual. DuroStar Power Equipment recommends that you retain all receipts covering maintenance on your SORE, but DuroStar Power Equipment cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

-As the SORE owner, you should however be aware that DuroStar Power Equipment may deny your warranty coverage if your SORE or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

-You are responsible for presenting your SORE to distribution center or service center authorized by DuroStar Power Equipment as soon as the problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

If you have any questions regarding your warranty coverage, you should contact Imperial Industrial Supply Co., Ltd

### **DEFECTS WARRANTY COVERAGE**

## DUROSTAR POWER EQUIPMENT

DuroStar Power Equipment warrants to the ultimate purchaser and each subsequent purchaser that the small off-road engine (SORE) (1) has been designed, built, and equipped to conform with all applicable regulations; and (2) is free from defects in materials and workmanship that cause the failure of a warranted part to conform with those regulations as may be applicable to the terms and conditions stated below.

The warranty period begins on the date the engine is delivered to an ultimate purchaser or first placed into service. The warranty period is two years.

Subject to certain conditions and exclusions as stated below, the warranty on emissions related parts is as follows:

Any warranted part that is not scheduled for replacement as required maintenance in your **Owner's Manual** is warranted for the warranty period stated above. If the part fails during the period of warranty coverage, the part will be repaired or replaced by DuroStar Power Equipment according to Subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period.

Any warranted part that is scheduled only for regular inspection in your **Owner's Manual** is warranted for the warranty period stated above. Any such part repaired or replaced under warranty will be warranted for the remaining warranty period.

Any warranted part that is scheduled for replacement as required maintenance in your **Owner's Manual** is warranted for the period before the first scheduled replacement date for that part. If the part fails before the first scheduled replacement, the part will be repaired or replaced by DuroStar Power Equipment according to Subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period prior to the first scheduled replacement point for the part.

Repair or replacement of any warranted part under the warranty provisions herein must be performed at a warranty station at no charge to the owner.

Notwithstanding the provisions herein, warranty services or repair will be provided at all our distribution centers that are franchised to service the subject engines.

The engine owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.

DuroStar Power Equipment is liable for damages to other engine components proximately caused by a failure under warranty of any warranted part.

Throughout the engine warranty period stated above, DuroStar Power Equipment will maintain a supply of warranted parts sufficient to meet the expected demand for such parts.

Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of DuroStar Power Equipment

## **DUROSTAR POWER EQUIPMENT**

Add-on or modified parts that are not exempted by the U.S EPA & Air Resources Board may not be used. The use of any non-exempted add-on or modified parts by the ultimate purchaser will be grounds for disallowing a warranty claims. DuroStar Power Equipment will not be liable to warrant failures of warranted parts caused using a non-exempted add-on or modified part.

The manufacturer issuing the warranty shall provide any documents that describe that manufacturer's warranty procedures or policies within five working days of request by the U.S EPA & Air Resources Board.

### **EMISSION WARRANTY PARTS LIST**

The repair or replacement of any warranted part otherwise eligible for warranty coverage may be excluded from such warranty coverage if DuroStar Power Equipment demonstrates that the engine has been abused, neglected, or improperly maintained, and that such abuse, neglect, or improper maintenance was the direct cause of the need for repair or replacement of the part. That notwithstanding, any adjustment of a component that has a factory installed, and properly operating, adjustment limiting device is still eligible for warranty coverage. The following emissions warranty parts for each engine family list is covered.
