

LAWN & GARDEN
STEEL
GOR801

Lawn & Garden Collection

Uses: Soil Bags, Mulch, Planters, Firewood

DURABILITY FOR THE LONG HAUL

The GOR801 Steel Cart saves time on hauling projects more reliably than other hauling options. The steel mesh frame, 4-wheeled stability and 10" pneumatic tires make the GOR801 able to tackle a variety of lawn and garden projects

TOWABLE HANDLE

Easy grip handle minimizes hand discomfort while the pin-lock mechanism allows the handle to be converted to pull behind an ATV or lawnmower

PIVOT STEERING

The tight-turn steering is made possible by Gorilla Carts® quick-turn technology, pivoting on a center axis. The pass through design of the front and rear axles allow for maximum ground clearance and easy hauling on uneven terrain

SPECIFICATIONS

*Load Capacity: 800lbs/4 cu ft
Bed Size: 40.25"L x 20.5"W x 9"H
Wheel Diameter: 10"*
