Instructions Installation

Take your seat cover out of it's stuff sack. Your seat cover has storage pockets on the back of the cover. This sides faces back.

Pull the seat cover over the seat back. Then pull the rest of the cover over the seat front. On newer seats there is a lumbar support feature with an adjustable knob on the side. To access this knob with <u>your cover</u> on, find the opening on the sides of the cover above the

mesh pockets.

Cleaning and Care

Clean your cover with a soft brush and luke-warm water. DO NOT USE SOAP as it may remove the protective coatings added by the factory. Dry on air or delicate.

Storage

A handy storage bag is provided to store your cover in. To avoid any possibility of mildew be sure your cover is completely dry before you store it in the storage bag for a long period.

Three Year Warranty

This cover is factory warranted for workmanship and materials for 3 years after purchase.
