

Warranty

The manufacturer warrants the product to be free from defects in materials and workmanship for a period of five (5) years from date of purchase. This warranty applies only to the original consumer and only to products used in normal use and service. If this product is found to be defective, the manufacturer's only obligation, and your exclusive remedy, is the repair or replacement of the product at the manufacturer's discretion, provided that the product has not been damaged through misuse, abuse, accident, modifications, alteration neglect or mishandling. This warranty shall not apply to any product that is found to have been improperly installed, set-up, or used in any way not in accordance with the instructions supplied with the product. This warranty shall not apply to a failure of the product as a result of an accident, misuse, abuse, negligence, alteration, faulty installation, or any other failure not relating to faulty material or workmanship. This warranty shall not apply to the finish on any portion of the products such as surface and/or weathering, as this is considered normal wear and tear.

The manufacturer does not warrant and specifically disclaims any warranty, whether express or implied, of fitness for a particular purpose, other than the warranty contained herein. The manufacturer specifically disclaims any liability and shall not be liable for any consequential or incidental loss or damage, including but not limited to any labor/expense costs involved in the replacement or repair of said product.

Assembly

CAUTION: Two people are recommended for assembly.

NOTE: The holes in the cabinet are tapped and do not require nuts.

NOTE: There are holes to mount handle on both sides of cabinet, but only one handle is provided.

1 Attaching the cabinet handle

- Position the cabinet handle (C) over the holes on the cabinet (B).
- Attach with the bolts (CC) and tighten with 10mm wrench/socket.
