Step 1

Place Planter Wall in all 4 corners to your measurements.

Step 2

Insert all three tiers of boards in front & back.

Step 3

Insert all three tiers of boards on both sides.

Step 4

Measure for your desired lid size.

Step 5:

Cut planks to size and fasten 3- 2"x4" supports making sure they are centered and don't interfere with closing of the lid.

Step 6

Screws handle to face of lid to assist you with finishing build.

Step 7

Screw the hinges in-between supports.
