Care and Maintenance

Thank you for purchasing a Good Directions Spark Screen. Your spark screen is made of metal and will react to the weather and heat.

- To extend the life of your spark screen, we recommend periodically cleaning the spark screen with a metal brush and applying a heat resistant paint.
- Do not clean the spark screen until it has cooled down completely.
- When cooled and not in use, keep the spark screen covered or store in a dry location.
- Finish will not look the same after burning.

CALIFORNIA PROPOSITION 65 WARNING: This product can expose you to carbon monoxide, which is a combustion byproduct known to the State of California to cause birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

Consumers should check state and local codes and regulations regarding the use of this product.
