To: For Release

From: Aven Customer Service

Re: Heat Gun Warranty

Aven provides a warranty of 1 year from date of purchase against manufacturing defects.

This warranty, however, does not protect against end user damage, accidental breakage or malfeasance, as to be determined by Aven Customer Service.

Aven will require documentation of all potential defects, up to and including return of the lamp for evaluation.

For questions, please contact 734-973-0099 or info@aventools.com

Thank you,

Aven Customer Service
